As per HQrs Office Circular cited under reference, the link for registrations of candidates for SAS Part I Examination on Computer Based Test (CBT) has been activated. Since Computer Based Test has been newly introduced, HQrs office is receiving queries on registration/eligibility etc. in a large number. On the basis of queries received, following general clarifications on FAQs are furnished:

<b>Sl. No.</b>	<b>Particulars/Queries</b>	<b>Clarification</b>

For installation of the key board for practice of Hindi typing, a run manual is enclosed as <b>Annexure I</b>. The candidates can go through the same and install the keyboard which will be provided for typing in Hindi at the time of examination for descriptive type.</p> <p>Further the Phonetic Keyboards are available starting from Windows 10. <b>The Mangal Font is to be used for typing in Hindi.</b></p> <p>In order to enable the Phonetic keyboard, follow these steps:</p> <p>See the right bottom of the screen – Select Language Preference – Preferred Language – Add a Language – Select Hindi – Click Next – Click Install – Hindi Language will be downloaded – Click Options – Add a Keyboard – Click on Hindi Phonetic.</p>

However, if a candidate has used NIC Email as per the earlier HQrs. Circular, there is no issue.
5.	Someone has registered in the portal but due to shut down/technical issue in PC, it shows that the "You have already registered with the same Aadhar, mail and mobile number." The technical person will contact and help in resolving the issue.
6.	As per Para 12 of the circular cited under reference "the questions and answers options shall be bilingual i.e. in Hindi & English." In this connection, clarifications are sought whether questions will be shown in both languages or in a particular opted language.	In this connection it is clarified that while registration, the candidates have to select the language for each paper. The questions will be reflected <b>in the opted language only</b> which the candidate has selected during registration i.e. Hindi or English. Different language option may be exercised for each paper.
7.	In case the candidate has been relieved and has not joined the new office i.e. <b>he/she is availing joining time</b> , to which PCDA/CDA the application is to be submitted? 8.	If a candidate has selected the wrong PCDA/CDA (Say B) in the Registration Portal instead of his/her own PCDA/CDA (Say A), what he/she should do?	The candidate should intimate concerned PCDA/CDA (Say A) through proper channel. The concerned PCDA/CDA (Say A) will intimate the other PCDA/CDA (Say B) along with the printed registration Form of the candidate. The PCDA/CDA (B) will provisionally approve the candidature online and intimate the HQrs Office for necessary correction.
9.	If any basic information is erroneously mentioned in the Registration Form and it has been submitted by the candidate, what he/she should do?	The candidate should intimate this to HQrs. Office through proper channel and concerned PCDA/CDA should also mention the discrepancy in the B.O.O. proceedings before forwarding to HQrs Office for correction.
