Dear Sugato,

A Procurement Research Centre (PRC) is functioning at Arun Jaitley National Institute of Financial Management (AJNIFM). This Centre has been created through an MoU signed between Department of Expenditure, Government of India and AJNIFM. The main objective of PRC is to conduct research on different facets of Public Procurement. The following deliverables are expected from PRC:

- Provide research support in various aspects of Public Procurement, both fundamental and applied
- Analyse and document outcomes and impact of the various rules and regulations on public procurement on all stakeholders
- Provide research support for policy framework of public procurement with a view to integrate with global standards
- Collaborate and network with reputed research institutions and outstanding researchers in the area of public procurement
- To undertake studies in the following areas
 - Sustainable procurement
 - Data Analytics in Public Procurement
 - Use of Block Chain
 - Social justice in procurement
 - Social impact of procurement
 - Procurement as a tool of national development
 - Any other area related to Public Procurement
- Build a database of procurement practices and provide quarterly survey reports based on literature survey of best practices different states governments, municipal corporations PSUs etc
