Reference: HQrs Office letter No. AN/XII/18009/BE 2017-18/Vol. I dated 24.04.2017

2. The budgetary projections for Revised Estimates 2017-18 and Budget Estimates 2018-19 are required to be submitted to the Ministry of Defence (Fin) during the second week of October 2017. Therefore, the requirement of funds in RE 2017-18 and BE 2018-19 in respect of all DAD Ongoing/Sanctioned Works/Maintenance Services as well as the works likely to be sanctioned and commenced during the CFY 2017-18 and FY 2018-19 may be furnished in the proforma Annexure 'A' to 'E' attached.

3. The expenditure incurred for all ongoing works and maintenance works up to August 2017 may please be indicated. While projecting the requirement of additional funds for ongoing works/services in the Revised Estimates for 2017-18, it may kindly be ensured that the demands are realistic and funds will be booked judiciously during the current financial year itself and no surrenders are intimated at the fag end of the CFY. Surrender of funds at the close of financial year may attract adverse comments from the Ministry of Defence (Finance).

The demand for funds under maintenance heads should be based on Plinth Area Rates authorized as per scales. Further, additional funds, if any, be also justified keeping in view the expenditure of the funds allotted in BE 2017-18.

4. While preparing and projecting the demand for funds under Revised Estimates for 2017-18 and Budget Estimates for 2018-19, the enclosed guidelines/instructions given under Appendix 'A' may please be kept in view in addition to the instruction/cautions for preparation of RE/BE, issued and uploaded on CGDA website from time to time.
