At the outset, CGDA & Chairman of JCM-III Level welcomed all the members of the Associations and others present in the 51st Main Meeting.

The minutes of the 50th Main Meeting held on 23.08.2016 were confirmed. Thereafter, action taken points of 50th Main Meeting were discussed.

Agenda points discussed in 51st Main Meeting

(i) Agenda No. 1: Promotion of Auditor to Sr. Auditor.

Upto 23.09.2013 Auditors of our Department were getting their promotion to Sr. Auditor on completion of three years. All of a sudden the residency period was increased to six years. This has definitely demoralized the mindset of the Auditors who are freshly entering to our Department. In order to retain maximum fresh recruits in our Department we have to make our Department more attractive. In this process giving promotion to Auditors to Senior Auditors on completion of three years is one such step to attract fresh recruits. In view of the above we request the CGDA Office to take up the case to the appropriate authority to change the RR.

During the discussion staff side requested the chairman to exercise the power of Cadre Controlling Authorities for reducing the retention period from six years to three years.

Chairman directed the official side to examine whether one time relaxation can be given by the Cadre Controlling Authority.

(Action AN-VIII & AN-XI)

(ii) Agenda No. 2: Booking of Guest Houses online

Although decision for booking of Guest Houses online was inaugurated by the then CGDA, still the software is not uploaded in CGDA's web site. It is almost more than one year that still the project is not completed. In view of the above we request the Hon'ble CGDA office to upload the software.

Chairman directed the official side to make the website functional for online booking. Chairman also directed to ensure the quality of services in the Guest House.

(Action: AN-XII Section)

(iii) Agenda No. 3: Majority of the staff members in our Department are depending upon the wet canteen of their respective office. Conditions of the majority of the wet canteens are not at all satisfactory. Majority of them are not having basic infrastructures. Local administration is not giving due attention. Hence we request the CGDA office to issue guidelines to all of the sub offices.

Chairman directed the official side to issue instructions and call for the reports from all Controllers regarding infrastructures of wet canteens along with the photographs of the kitchen etc.
