October 12, 2010

Madam,

## Sub: Document on NPS for employees of Defence

This has reference to our discussion regarding the status of IRA compliance in your accounting formation. In the discussion, it emerged that the subscribers need to be made aware about the various features of the NPS. Most of the facilities being provided by the CRA to the subscribers can be availed once the subscriber is IRA compliant. It was therefore felt that CRA can provide a write up on the merits of IRA compliance as well as the features of Tier II account.

This write-up can be circulated to all the nodal offices. This will ensure a wider dissemination of information across the offices and the subscribers. Office of the Controller General of Defence Accounts may decide to put it up in their website as well.

Best regards,

Yours sincerely,

Amit Sinha  
Executive Vice President

Encl: a/a

## IRA Compliance

A subscriber who has registered by duly filling up the Subscriber Registration Form (SI) and whose address, photograph and signature are maintained in Central Recordkeeping Agency (CRA) system is termed as **IRA Compliant** subscriber. These subscribers have a PRAN Card issued by CRA. Subscriber who is not having any PRAN Card is termed as Non-IRA Compliant subscriber.

### *Advantages of being a IRA Compliant Subscriber*

#### **1. PRAN CARD**

CRA issues a PRAN Card to all IRA compliant Subscribers which contain PRAN, subscriber's name, father's name, photograph and signature/thumb impression.

- Copy of PRAN Card eliminates the requirement of proof of identity, proof of address and proof of age during Tier II activation
- Copy of PRAN card is mandatory for withdrawals from Tier II account
- In case of internal transfers within different departments, PRAN card allows the nodal office to start monthly contribution upload before receipt of Last Pay Certificate (LPC).

#### **2. SMS and E-mail Alerts**

IRA compliant subscribers can register their mobile number and email id in CRA system and avail the facility of SMS and E-mail alert

- Whenever a contribution is credited in the NPS account SMS and email alerts are sent to the subscriber
- The facility is available for both Tier I and Tier II account
- Alerts corresponding to contribution in Tier I help subscribers to keep a track of monthly contributions
- CRA does not charge anything for the SMS and E-mail alert. This value added service is absolutely free.

#### **3. I-PIN**

CRA issues I-PIN to all IRA compliant subscribers which can be used by them for the following.

- Access the CRA system and check the account details like address, bank account details and nomination details for both Tier I and Tier II.
- Subscribers can generate statement of holding for both Tier I and Tier II which gives them the latest valuation of their total investment.
- Subscribers can generate Statement of Transaction for the last three financial years including the current financial year for both Tier I and Tier II accounts.

- Subscribers can track the credit of monthly contribution into their Tier I account.
- Subscribers can register a complaint against CRA or Nodal Office after logging into CRA system. Once a complaint is raised, system generates a token number which can be used later on to track status of the complaint.

#### **4. T-PIN**

CRA also issues T-PIN to all IRA compliant subscribers which can be used by them to speak to our customer service executives at our toll-free helpline 1800 222 080 for any query or complaint. They can also use the same T-PIN to access the Interactive Voice Response (IVR) system and avail the services listed below for no.

- Change of T-PIN
- Check holding details
- Check the status of any scheme preference or account details change request
- Check details of last contribution credit
- Check details of last withdrawal request (for Tier II only).
- Request for Statement of transaction for last 3 financial years

#### **5. Yearly Statement of Transaction**

For IRA compliant subscribers, Annual Account Statements are sent directly to the subscriber's registered address, but for non-IRA compliant subscribers, the statement is sent to the concerned PAO. The Annual Account Statement also contains the details all the changes such as change in nomination etc., happened in the account during that period.

#### ***How to become an IRA Compliant Subscriber***

If you are still not an IRA Compliant subscriber, please submit a duly filled S1 form to your DDO. The form will be forwarded to a CRA - Facilitation Centres after authorisation by the concerned PAO, PRAN will be generated and the PRAN card will be printed and despatched to the concerned PAO within 20 days from the date of receipt of duly filled registration form at the CRA - Facilitation Centre. It is expected in the next 15 days the PAOs will ensure that the PRAN cards are provided to the DDOs for onward distribution to the subscribers.

## New Pension System

You may be aware that Government of India has started the New Pension System (NPS) in 2004. As a subscriber of NPS, you enjoy various facilities and rights including online access to your account, annual statement of transaction, portability across jobs and locations, platform to raise grievance etc.

Under NPS two types of accounts are available

**Tier I account for employees joined service on or after January 1, 2004**

All of you who have joined service in Defence on or after January 1, 2004, are mandatorily covered under NPS. Your monthly contribution towards pension is deducted from your salary. This, along with your employer's contribution is being invested in schemes of three PFMs as decided by PFRDA. These PFMs in return allot units which are credited in your Permanent Retirement account (PRAN) referred to as Tier I account. At present, at least 85% of your pension wealth is invested in debt instruments and up to 15% in equity and equity linked mutual funds.

*Any subscriber in NPS having an active Tier I account has the option to open an investment and trading account referred to as 'Tier II account'.*

### ***TIER II Account***

Tier II is a pension savings account, with a facility for withdrawal to meet financial contingencies.

### ***Interfacing entity for Tier II account***

PFRDA has appointed various banks and financial institutes as Point of Presence - POP (similar to a PAO for your Tier I account). The registered branches of the POP are termed as Point of Presence Service Provider - POPSP (similar to a DDO for your Tier I account). The list of POPSPs and their contact details are available in CRA website [www.npscra.nsdl.co.in](http://www.npscra.nsdl.co.in). Once you submit your Tier II activation request to a POP-SP, it becomes your associated POP-SP. For any request related to Tier II account, you need to contact your associated POPSP. However, you can submit your request for contribution to any POPSP of any POP. At present there are more than 4000 POP-SPs located across the country.

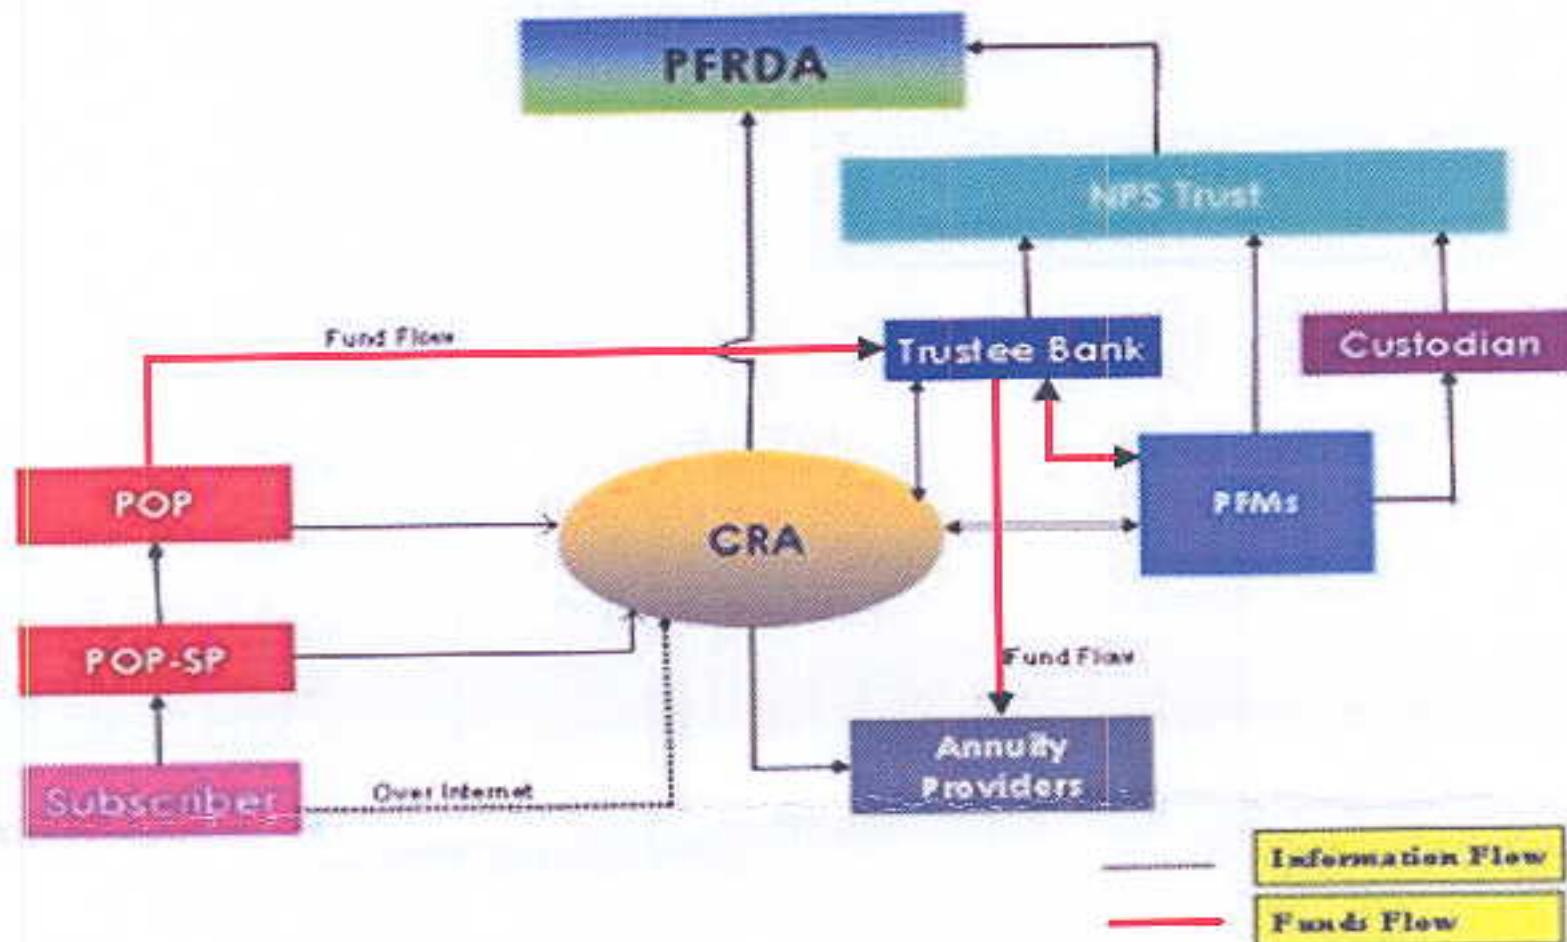

### ***Opening a Tier II account***

Tier II account is a voluntary saving facility wherein the withdrawal is as per subscriber's choice. Any government employee who is mandatorily covered under NPS can activate the Tier II account by submitting duly filled form **UOS-S10** along with the copy of PRAN Card and initial contribution of ₹. 1000/- to any POP-SP.

## NPS Architecture of Tier II account

### Key features of Tier II account

- You can enjoy unlimited number of withdrawals depending upon your requirements. The only criteria is that you have to maintain a minimum balance of ₹ 2000 at the end of Financial Year i.e., as on March 31<sup>st</sup>
- Minimum amount for contribution is ₹. 250/- and minimum 4 contributions to be made in a financial year
- Separate nomination details and scheme preference are possible for Tier II**
- Contributions can be made through any POP/POP-SP
- You can access your account details through internet and telephone using the same I-PIN and T-PIN received for Tier I account
- You can have a consolidated account statement for Tier I and Tier II
- For Tier II account, no additional CRA charges for annual account maintenance

Apart from these features, NPS offers you a choice of six fund managers as well as two approaches to invest in your account:-

### Scheme Preference

NPS allows you to choose from any one of the following six entities to manage your pension fund:-

- © ICICI Prudential Pension Funds Management Company Limited
- © IDFC Pension Fund Management Company Limited
- © Kotak Mahindra Pension Fund Limited
- © Reliance Capital Pension Fund Limited
- © SBI Pension Funds Private Limited
- © UTI Retirement Solutions Limited

The NPS offers you two approaches to invest in your account:-

- Active choice - Individual Funds
- Auto choice - Lifecycle Fund

### Active choice - Individual Funds

You will have the option to actively decide as to how your NPS pension wealth is to be invested in the following three options:

- E- "High return, High risk" – investments in predominantly equity market instruments
- C- "Medium return, medium risk" – investments in predominantly fixed income bearing instruments
- G- "Low return, Low risk" – investments in purely fixed income instruments.

You can choose to invest your entire pension wealth in C or G asset classes and up to a maximum of 50% in equity (Asset class E). You can also distribute your pension wealth across E, C and G asset classes, subject to such conditions as may be prescribed by PFRDA.

**In case you decide to actively exercise your choice about investment options, you shall be required to mandatorily indicate your choice of Pension Fund from among the six Pension Funds appointed by PFRDA.**

### Auto choice - Lifecycle Fund

NPS offers an easy option for those participants who do not wish to specify the allocation for their NPS investments. In case you are unwilling to exercise any choice, your funds will be invested in accordance with the Auto Choice option. You will, however, be required to indicate your choice of PFM. In case you do not do so, your form shall not be accepted by the POP-SP.

In this option, the investments will be made in a life-cycle fund. Here, the percentage of funds invested across three asset classes will be determined by a pre-defined portfolio. At the lowest age of entry (18 years), the auto choice will entail investment of 50% of pension wealth in "E" Class, 30% in "C" Class and 20% in "G" Class. These ratios of investment will remain fixed for all contributions until the participant reaches the age of 36. From age 36 onwards, the weight in "E" and "C" asset class will decrease annually and the weight in "G" class will increase annually till it reaches 10% in "E", 10% in "C" and 80% in "G" class at age 55. The details of the asset allocation with respect to age is given in the table below.

**Table for Lifecycle Fund**

Age	Asset Class E	Asset Class C	Asset Class G
Up to 35 years	50%	30%	20%
36 years	48%	29%	23%
37 years	46%	28%	26%
Age	Asset Class E	Asset Class C	Asset Class G
46 years	28%	19%	53%
47 years	26%	18%	56%
48 years	24%	17%	59%

38 years	44%	27%	29%
39 years	42%	26%	32%
40 years	40%	25%	35%
41 years	38%	24%	38%
42 years	36%	23%	41%
43 years	34%	22%	44%
44 years	32%	21%	47%
45 years	30%	20%	50%

49 years	22%	16%	62%
50 years	20%	15%	65%
51 years	18%	14%	68%
52 years	16%	13%	71%
53 years	14%	12%	74%
54 years	12%	11%	77%
55 years and above	10%	10%	80%

Neither the Active Choice nor the Auto Choice provides assured returns. While exercising an Active Choice, remember that your investment allocation is one of the most important factors affecting the growth of your pension wealth. Please refer to the offer document for details on the risk involved.

#### Transactions in Tier II Account

The following transaction can be done in a Tier II account.

Transactions	Description
Contribution	<p>You can contribute a minimum amount of ₹. 250/- and the contribution request in NPS Contribution Instruction Slip can be deposited to any POP-SP.</p> <p>Minimum number of contributions in a year is 4; however, minimum of only 1 contribution is mandatory in case a subscriber joins in the last quarter of a financial year.</p> <p>There will be a time lag between the time you deposit Cash/Cheque/Demand Draft with the POP-SP and the time of credit of units to your Tier II account, which may range up to 7 working days contribution.</p>
Withdrawal	<p>At any given point of time you can avail withdrawal facility. The accumulated units in your account can be withdrawn as per your requirement. The steps for withdrawal from Tier II account is given below:</p> <ul style="list-style-type: none"> <li>You are requested to submit a written request (Form-UOS-S12, available at the CRA website <a href="http://www.npscra.nsdl.co.in">www.npscra.nsdl.co.in</a>) to the POP-SP with whom you are associated.</li> <li>The correct details and the type of withdrawal (partial/complete) needs to be mentioned in the request form (Form-UOS-S12).</li> <li>Redemption (units withdrawal) will happen on T or T+1 depending on authorization of request before or after 1.30 pm. T being the date of execution of your request by the POP-SP.</li> <li>Latest available NAV will be considered for units' redemption. On T+3, funds will be transferred to the bank account of Trustee Bank which will transfer the funds to your registered banks</li> </ul>

	account provided by you during Tier II activation.
Change of Subscriber details	You can change nomination details and bank details by submitting a duly filled UoS- S2 form to the associated POP-SP
Change of POP / POP-SP	You can change the associated POP-SP by either submitting a request to the POP-SP to whom the account is mapped or by submitting a request to the new POP-SP to whom you want the account to be associated with.
Change of Scheme Preference	You can switch from one option (PFMs, Investment approach and asset allocation) to another, but such transaction can be made only once a financial year

### Charges for Tier II

The transaction charges of CRA as well as the POP charges are same as of Tier I Account as given below:

Intermediary	Charge head	Charges (Rs.)	Mode of recovery
CRA	A/C Opening Charge & AMC	Nil	Through cancellation of units on a quarterly basis.
	Charge Per transaction	6*	
POP( Maximum Permissible Charge for each Subscriber)	Charges for Tier II activation	20*	To be collected upfront
	Charge Per transaction	20*	

\*plus applicable taxes

#### Employees joined before January 1, 2004

If you have joined service in Railways before January 1, 2004, you are not mandatorily covered under NPS. Nevertheless, you can join NPS on your own under "All Citizens of India." through any Point of Presence Service Provider (POP-SP). At the time of joining, you can open only Tier I a/c or both Tier I & Tier II account together. The features for your Tier I account will differ from those who joined service on or after January 1, 2004. However, all the features as mentioned above for Tier II account will be available to you. For details of the features of your Tier I account, please refer to the Offer Document for "All Citizens of India." on our website <http://www.npscra.nsdl.co.in>. The forms, list of POP-SPs and their contact details are also available in our website.
