No. MECH/EDP/806/WAN/ Vol-V   Dated: 18.11.2015

To,

All the Regional PCsDA/ CsDA

Subject: **Extension of CGDA WAN connection to Army Records offices.**

Reference: **HQrs office letter of even no. dated 06.08.2015.**

Please refer to the letter cited above,

2.   It has been noticed that most of the PAO (ORs) offices have not extended the CGDA WAN connection to their respective Record offices.

3.   A few of the PAO (ORs) offices have conveyed that the main reason for not doing so is due to not-existence of one to one connectivity between PAO (ORs) and respective Record offices. However, as per information received from AG's Branch all locations except 11 locations (list attached as Annexure-I) do have one to one connectivity.

4.   It is therefore requested to forward the list of PAOs where one to one connectivity doesn't exist as per your record. A certificate from concerned Record office declaring non existence of one to one connectivity must also be forwarded to HQrs office, so that this issue can be taken up with AG Branch.

5.   It has also been learnt that a few PAO (ORs) offices where one to one connectivity with Record offices do exist, are not able to do it because they are not aware as how to do it.

6.   A stepwise flow of activity has been depicted and attached as Annexure-II for extension of CGDA WAN to concerned Record offices. These steps may be followed by all PAOs. In case of any assistance in this regard, please call to this HQrs office at 011-25665761, 762, 864, 9466555891 and mail to cgdanewdelhi@nic.in.

7.   The latest status report on extension of CGDA WAN to Record offices alongwith above information may immediately be forwarded through mail at cgdanewdelhi@nic.in, hqedp@cgdamail.org or FAX on 011-25675030. The hard copy of the same through post is not required.

8.   This may please be accorded top priority.

Jt. CGDA (IT) has seen.

(A K Wani)

Annuxure to HQrs letter No. MECH/EDP/806/WAN/Vol-V dated18.11.2015

Steps for Extension of CGDA WAN connection from PAO to RO

Existing Network: Existing one to one connectivity between PAO and RO for accessing of Dolphin Post-office system or Dolphin view facility:

Existing WAN in PAO

1941
ROUTER

SWITCH

2950-2
Switch0

PC-PT
PC1

PC-PT
PC2

DOLPHIN VIEW FACILITY

DOLPHIN POST OFFICE SERVER
OR PAO SITE
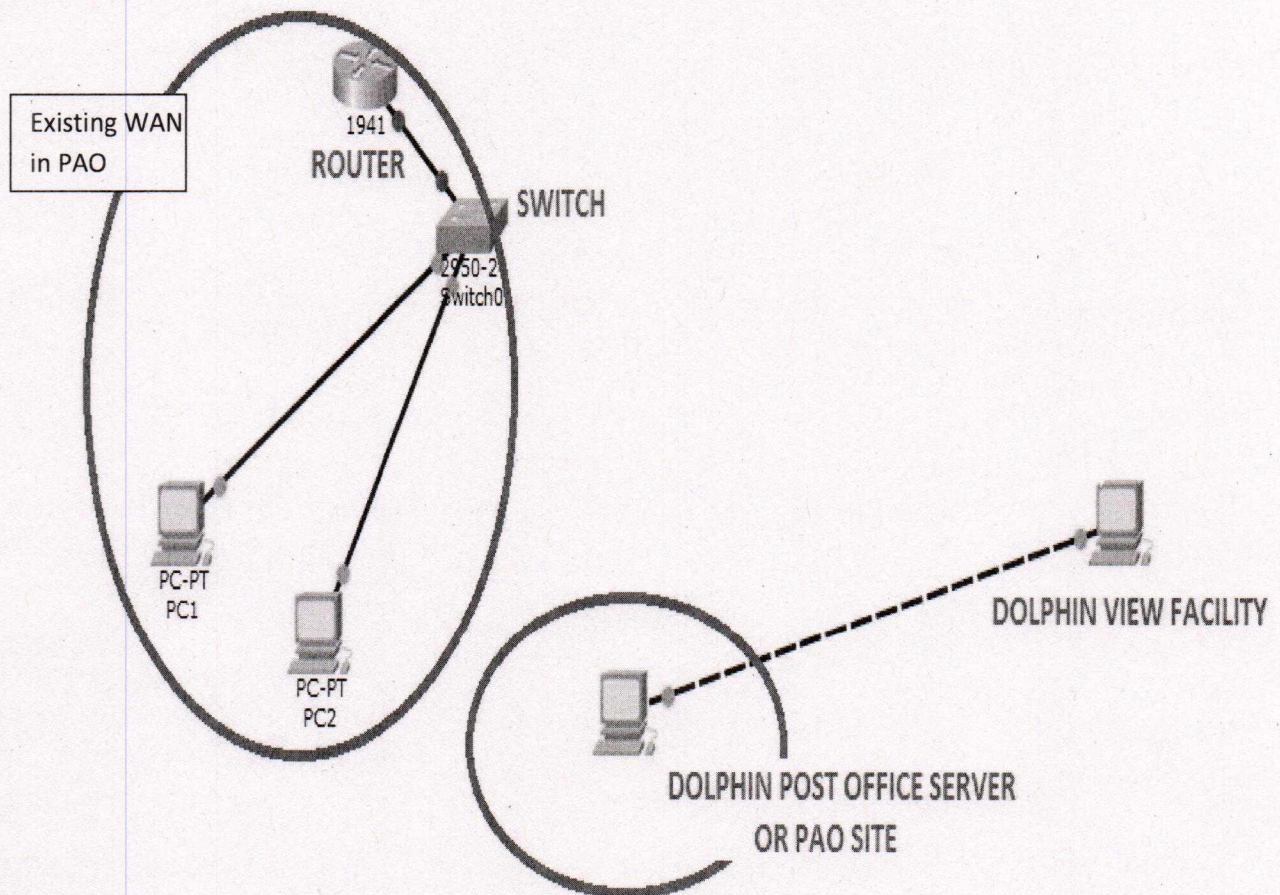

(ii) Step-I: Using 8-port switch connect the already one to one connected PCs through WAN.

CONNECTION BETWEEN PAO & RO

SUBNET MASK - 255.255.255.0
DEFAULT GATEWAY - 10.48.40.1
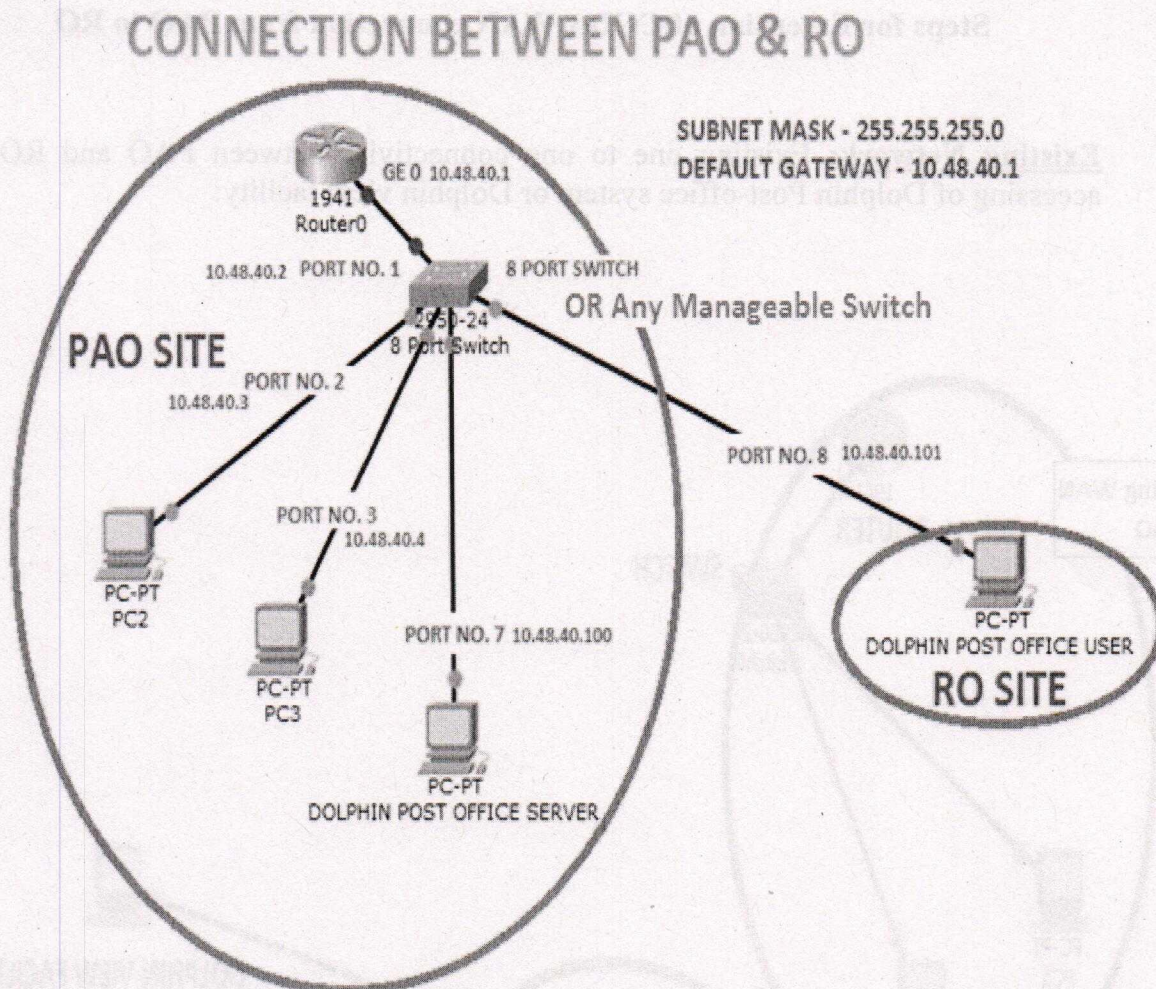

(iii) Step-II: Change the IP of both the PCs according to the CGDA WAN network. To assist in assigning IP, you may also contact this HQrs office at 011-25665864, 762, 9566555891.

(iv) Step-III: Change the user IP setting in the Dolphin Post-office server with prior intimation to CDA (IT & SDC) Secunderabad. To assist in changing user IP setting, you may contact/ intimate CDA (IT & SDC) Secunderabad at 040-29805085 & 9618887990.
