Sub - Financial Concurrence coverage in Civil works cases

254
23/3

1. IFA coverage in civil works cases at Service Hqs and Command Hqs is given by the dedicated IFAs located therein. For cases falling below Command Hqs, the finance cover was being provided by the respective Regional CDA.
2. Several factors have arisen since the above mentioned arrangement. Firstly, all IFA posts (at SAG level) have been filled up in Command Hqs of all three services. Secondly, sufficient manpower at AAO/AO level has been provided to all Command IFAs. Thirdly, the principle of keeping finance authority and audit authority separate could not be followed in existing system. Fourthly, the next higher CFA route could not be matched with next higher IFA in the present arrangement leading to dissatisfaction of users.
3. In view of above, following has been decided with the approval of competent authority -
 - a. All civil works cases, where CFAs are below Command Hqs, will be processed by IFA of the concerned Command Hqs, under which the CFA functions. For ex - A civil works case, where CFA is Corps Commander of HQs 12 Corps, will be concurred by IFA (SC), Pune.
 - b. All civil works cases of Coast Guard will be processed by IFA (CG HQs).
4. These instructions come into effect from 1.4.2010.
